

CURRICULUM VITAE of MD. MEHEDI HASAN

Summary:

To exploit an opportunity of working in the development sector where no one is bound to work in a typical manner rather have the open space to expose one's acquired academic knowledge and gathered practical experience effectively with an aim to add values to the organization and as well as themselves. I do believe myself as a responsible person with a pro-active attitude who is always devoted to work without considering cultural differences and social discrimination.
